Sounds good to me. So we await Larry. And if a conflict, I'm available all times tomorrow, and also 8 January (any time), and up to about 2pm on 9 January.

Hi John, Larry

We reserved this time to discuss HPS issues because we didn't get to it last time.

I am still available. But if Larry has a schedule conflict we can certainly reschedule as this isn't really urgent.

Best,
Armin
